

Instructions for Horticulture Entry Form Department G

Please fill out the Horticulture Entry Form. This will facilitate the entry and pick up process. The information on this form must match the entry tag for each entry listed.

Complete the information at the top of the form with the entry number that you obtained at the Fair office, the first and last name of the entrant as well as indicating the age and a Y for all youth entrants. All Horticulture Open Class entries are in Department G. Within Department G, Vegetables are in Division A and Flowers are in Division B. Check Flowers or Vegetables for each entry. Please complete a line on the Entry Form for each entry in Horticulture made by the same exhibitor. If a second form is needed, please write 1 and 2 at the top of the forms in large numbers and staple them together. Complete a separate form for each entrant. **DO NOT** put more than one person's entries on the same form. Be sure to let us know by putting a "Y" in the Container column if the container belongs to the entrant.

All Cut Flowers and cut Herbs should be placed in the provided vases with water to retain their freshness for judging. Remember to remove all leaves below the water line.

There is an example of how to fill out the form below and on the preparation tables.

Horticulture Entry Form Department G
